ERRATA

Please send any typos or errors to afein@drugchannels.net.

Page 178

- In the second paragraph of the Optum Rx material, the third sentence mistakenly begins with "For 2026."

Page 181

- Centene Pharmacy Services is described as "the pharmacy benefit subsidiary of Centene Corporation." More precisely, CPS is the entity within Centene that manages and oversees core PBM functions delegated to Express Scripts. CPS is not an in-house PBM and does not sell PBM services.

Exhibit 267 (page 437)

- In the Centene column, the superscript reference for Centene Pharmacy Services should be to footnote 8, not to footnote 7.

Exhibit 189 (page 285)

- In the Products column, the figures were misstated. Here is the corrected exhibit:
