1. PSAO will be in-network, but member pharmacies must contract for preferred status directly with plan.

2. New plan for 2023

3. PSAO will be out-of-network for this plan in 2023.

4. The PSAO has negotiated opt-in network participation. Each PSAO member can choose to participate as a preferred vs. a standard cost sharing pharmacy for 2023.

5. Pharmacies under the AlignRx PSAO contract for Wellcare will be out of network. Pharmacies not under the PSAO contract can contract directly for standard or preferred status.

Source: Drug Channels Institute research. Listed plans account for 90% of all regional prescription drug plans (PDPs) with a preferred cost sharing network in 2023. The green shaded boxes indicate a PSAO's addition as a preferred pharmacy to a 2023 network (vs. 2022). The red shaded boxes indicate a PSAO's removal as a preferred pharmacy from a 2023 network (vs. 2022). "n/a" indicates that chain is out-of-network for 2023.
